

Every town and suburb in
Tasmania experiences
poverty

It's not right that **120,000 Tasmanians** are living in poverty

Poverty exists.
Poverty hurts us all.
We can all do something
about it.

Anti-Poverty Week
13-19 October 2019

anti-poverty week

act on poverty

Be part of a diverse network taking action to end poverty. Organise an activity during the week. Support the #RaisetheRate campaign to increase unemployment payments.
