

Every town and suburb in
Victoria experiences
poverty

It's not right that
774,000 Victorians
are living in poverty

Poverty exists.
Poverty hurts us all.
We can all do something
about it.

Anti-Poverty Week
13-19 October 2019

anti-poverty week

act on poverty

Be part of a diverse network taking action to end poverty. Organise an activity during the week. Support the #RaisetheRate campaign to increase unemployment payments.
