

Every town and suburb in  
Western Australia experiences  
poverty

It's not right that  
**280,000 Western Australians**  
are living in poverty

Poverty exists.  
Poverty hurts us all.  
We can all do something  
about it.

**Anti-Poverty Week**  
**13-19 October 2019**

**anti-poverty week**

*act on poverty*

Be part of a diverse network taking action to end poverty. Organise an activity during the week. Support the #RaisetheRate campaign to increase unemployment payments.
